FAQ:

●.How about FAVORABLE's business in China?

In China, all of the this industry machine user cooperate with FAVORABLE company.

And we responsible all of their machines maintenance.

●.If the product is liquid, how to ship?

We have our courier agent, they can arrange shipment via special channel.

●.How about the trade terms?

Unit price is EXW term, and we always charge shipment cost from customers, and arrange shipment via our DHL courier agent, because the cost is cheaper, most customer prefer to choose this term.

●. If have DHL or Fedex account, how to ship?

We can arrange shipment under customer's express account, it will be fine.

●. If the parts belong to dangerous goods, how to ship?

We will check with our forwarder agent, if ok, will check the cost to customers. If not, will be found other way to ship.

●. There will be formal export process?

If customer need, we will make formal export, but value more than US\$700, there need to make many paper work with customs clearance agent for formal export, and need to pay US\$40 for the documents.

●.Can make lower value on the commercial invoice?

Yes, of course, if customer agree, we can show lower value on the commercial invoice to avoid high duty in customers country.
